Dear Diary:

*Yesterday **was** an awesome day! First, I **woke up** super happy because I'm trying this new trend of getting up at 5am. 😊*

*There is this 5am club in which people gets up very early and follow a very healthy morning routine, first I **thought** it **was** extremely difficult for me as I love sleeping in, but then I **said** to myself why not? And I **challenged** myself.*

I talked to my best friend, I told her all about it and she said I was crazy. But as she told me so I felt like I had to prove her wrong. So, this is it, it's been my 3rd day in a row that I set the alarm for 4.45 and get out of the bed at 5am sharp.

My day was great, I feel fresh and new. I exercised, I made myself a nice and healthy breakfast and the morning was so good.... I will tell you later, my mom is finally home and I want to talk to her.... See ya!!! Bye!
